- 22.1.5. the design and actual marks shall not be offensive or defamatory;
- 22.1.6. the playing kit shall conform with statutory regulations of South Africa; and
- 22.1.7. SARU has to approve the final design of the Provinces playing kit and alternative kit (where applicable), in writing, prior to

manufacturing thereof so to ensure that the playing kit complies with SARU's Regulations. For the avoidance of doubt, SARU's decision shall be final and binding.

23. MATCH MANAGER

23.1. The host Province will appoint a Match manager ("**Match Manager**") at each venue where a Match is scheduled to be played.

23.2. Duties and Responsibilities of a Match Manager (*Some of these tasks can be delegated to the match day officials; however, the Match Manager is ultimately responsible for ensuring all tasks are completed*). The Match Manager must:

23.2.1. have a copy of the updated SARU Competition Format and these Rules at hand;

23.2.2. check with the Match Official that the playing area is safe to play a Match on;

23.2.3. check all dressing rooms and other facilities before the teams arrive at the venue, as per SARU's minimum requirements;

23.2.4. check the medical facilities and that all the medical staff are present before the commencement of the Match;

23.2.5. check with the match official to ensure that the field markings are correct according to the World Rugby Laws of the Game;

23.2.6. check the drug testing room and be present at the draw to determine who will be tested;

23.2.7. monitor the 30 (thirty) minute warm-up prior to the commencement of the Match and ensure that the playing field is clear at the appointed times for the Team warm-up sessions;

23.2.8. attend the coin tossing;

23.2.9. management of the technical area and sideline pertaining to for instance the Teams, match officials, broadcasters, media and photographers;

23.2.10. check the bibs of the water carriers and medical staff;

- 23.2.11. manage the operational issues as they arise on the day; and
- 23.2.12. obtain a final copy of the signed team lists from the officiating referee at least 1 (one) hour before the commencement of the Match.

24. MINIMUM MEDICAL REQUIREMENTS

24.1. Minimum Medical Requirements at Match Venues:

For guidelines regarding the minimum medical requirements at a Match venue; refer to the “Safety in the Playing Environment” document which can be found on the BokSmart website:

<http://boksmart.sarugby.co.za/content/playing-environment-safety>

Please note the requirements indicated in the document are the minimum requirements for each level of play that should be in place for a Match to take place. One should however, where possible continuously strive to improve on the medical support available at these Matches to ensure player safety at all times.

24.2. The Duties of the Match doctor

This is applicable to those levels of play referred to in the “Safety in the Playing Environment” document that require a Match doctor. At venues where a Match doctor is not appointed the host venue doctor will assume these responsibilities.

The Match Day Doctor (“**MDD**”) must have, as a minimum, a medical degree.

The MDD must also have completed the World Rugby online Match Day Medical Staff and applicable Concussion Modules.

The duties of the MDD are:

- 24.2.1. to ensure that an applicable and relevant Emergency Action Plan is in place for the Match;
- 24.2.2. to ensure that the prescribed medical requirements at the Match venue are satisfied;

- 24.2.3. to meet the Team doctors 45 (forty-five) minutes prior to the commencement of the Match to confirm:
 - 24.2.3.1. where the match doctor is seated during the Match;
 - 24.2.3.2. the location of other medical staff during the Match;
 - 24.2.3.3. the signals for calling for medical help;
 - 24.2.3.4. who is in charge of player evacuation;
 - 24.2.3.5. confirmation of suturing procedure (Team doctor / Match day medical staff);
 - 24.2.3.6. if applicable, the location where all Head Injury Assessment (“**HIA**”) reviews will take place;
 - 24.2.3.7. confirm that all necessary equipment for HIA is in place including:
 - 24.2.3.7.1. paper work;
 - 24.2.3.7.2. pens;
 - 24.2.3.7.3. stop watch;
 - 24.2.3.7.4. chair for player; and
 - 24.2.3.7.5. CSX System.
- 24.2.4. to manage the HIA as per the stipulated HIA protocol and applicable Laws of the game.
- 24.2.5. to facilitate, with the official team doctors, prompt field-side management, referral to hospital (if necessary) and the replacement of injured players during the Match;
- 24.2.6. to enforce the regulations and guidelines pertaining to concussion and bleeding control, whilst ensuring that:
 - 24.2.6.1. management of concussion and suspected concussion is as per the SARU Concussion Regulations;

24.2.6.2. in the event of a “blood bin” and the referee signalling as such, the player immediately thereafter reports to the Match doctor within the playing enclosure who shall confirm such injury;

24.2.6.3. The Match doctor shall further enforce the guidelines pertaining to bleeding control by ensuring that:

24.2.6.3.1. any suturing is done in the designated medical room and not at the field side; and

24.2.6.3.2. all bloodstained apparel and dressings are replaced before allowing the player back onto the field,

24.2.6.4. should the injured player not re-enter within 15 (fifteen) minutes actual time after leaving the field, the temporary replacement becomes a permanent replacement. In determining the 15 (fifteen) minute period, half time is regarded as actual time;

24.2.6.5. The MDD’s decision as to whether an injury is classed as a “Blood Injury” shall be final;

24.2.6.6. to support the team doctor in ensuring the removal from the field of players suffering concussion or suspected concussion or other injury; and

24.2.6.7. be aware of and utilize their power as MDD to unilaterally remove an injured player from further Match participation if necessary.

24.2.7. For any queries regarding the minimum medical requirements or the duties of an MDD please contact SARU’s medical manager, Clint Readhead: clintr@sarugby.co.za or 071 6044 641 (cell) or 021 9287102 (w).

24.3. Registration and minimum health and safety requirements of all Team medical staff (medical doctor, physiotherapist and biokineticist)

- 24.3.1. All Team medical staff must register their details on the SARU Footprint database.
- 24.3.2. All Team medical staff must complete the following World Rugby On-Line modules (The modules can be found at the following links: <http://www.playerwelfare.com/> and <http://keeprugbyclean.worldrugby.org/>).
- 24.3.2.1. Concussion Modules;
- 24.3.2.2. Match Day Medical Staff;
- 24.3.2.3. First Aid in Rugby (FAIR);
- 24.3.2.4. Immediate Care in Rugby;
- 24.3.2.5. Anti-Doping Module; and
- 24.3.2.6. all certificates, indicating success in completing the module, must be loaded onto your profile on the SARU Footprint database.
- 24.3.3. All Team medical staff must load a copy of their degree and all other relevant qualifications onto their profile on the SARU Footprint database.
- 24.3.4. All Team medical staff must load a copy of their Health Professional Council registration card onto their profile on the SARU Footprint database.
- 24.3.5. All team medical staff must carry on their person at all times a copy of their SARU Approved Side-line Doctor & SARU Approved Side-line Physio accreditation.

25. MATCH REPORT AND STATISTICS

- 25.1. Team managers must ensure that they are registered on Footprint, SARU's online Competition Management System. New users must contact SARU on footprint@sarugby.co.za to ensure their registration is successful and their accounts are active.

- 25.2. Team managers must submit their Competition squads 14 (fourteen) days prior to the start of the Competition's commencement at www.footprintapp.net.
- 25.3. Team managers must submit their Official Team Sheet online on Footprint no less than 48 (forty-eight) hours prior to the commencement of their respective Matches.
- 25.4. Team managers shall also be required to download their Official Team Sheet once submitted to Footprint and to hand in a signed copy to the officiating referee or sideline management officials no later than 1 (one) hour prior to the start of their Match.
- 25.5. Team managers shall be required to sign off on the Official Match Report (statistics and player movement form) at the technical table with the official Match statistician.
- 25.6. The SARU Referees Department shall appoint the referee officials for a Match. The Province whose home Venue the Match is played at shall be required to appoint a referee official to capture the Match statistics, including applicable side-line personnel stipulated in the Side Line Management – Fifteens document.
- 25.7. The referee official entrusted with the match statistics shall email the completed Match Statistics form to footprint@sarugby.co.za and Eddie Grieb, eddieg@sarugby.co.za, (SARU's statistician) immediately after the completion of the Match.
- 25.8. Team managers are requested to check their Team's Match statistics for correctness on SARU's website: www.sarugby.co.za on the Monday following their match and to contact footprint@sarugby.co.za and Eddie Grieb, eddieg@sarugby.co.za should there be any errors.
- 25.9. A breach of this obligation by a Province will entitle SARU to impose a fixed penalty on the Province of up to R500.00 (five hundred) on each occasion, pursuant to the Disciplinary Rules.

26. FIRST CLASS FIXTURES AND APPEARANCES

To assist the statisticians when awarding the number of official Match “caps” played by a player for a Province, it was decided that the following criteria would be used to determine a first class Match:

- 26.1. to qualify as a first class fixture, a Match must firstly be played strictly according to the Laws of the Game, as stipulated by World Rugby (i.e. only the number of substitutes as determined by World Rugby is allowed). For instance, Matches where more than World Rugby’s approved number of substitutes is used will be regarded as trial matches and NOT as a first class Match.
- 26.2. the following categories of Matches qualify for first class status if the above is fulfilled:
 - 26.2.1. all Matches featuring the senior or next senior national representative team of South Africa;
 - 26.2.2. all Matches involving senior teams as part of the official SARU competitions fixture as sanctioned by SARU, i.e. Super rugby and Currie Cup;
 - 26.2.3. all Matches against touring international teams approved by World Rugby;
 - 26.2.4. All Matches between senior provincial teams and touring teams of the same or higher status;
 - 26.2.5. All Matches involving senior provincial teams/Super rugby franchise teams outside of official SARU competitions fixtures where the strongest possible Teams are fielded (i.e. pre-season or friendly matches);
 - 26.2.6. all Matches played by teams carrying the name of a South African National team (namely South Africa A, Emerging Springboks, SA Under 23’s, SA Universities, SA);
 - 26.2.7. students, SA Defence Force, SA Agricultural Colleges, SA Police Services, Junior Springboks and SA Under 20’s);

- 26.2.8. all Matches played by composite teams in World Rugby approved competitions;
- 26.2.9. Any player taking part in one of the above matches will be deemed to have made a first class appearance if he either:
 - 26.2.9.1. is part of the starting line-up; or
 - 26.2.9.2. appears as a permanent replacement at any time in the Match; or
 - 26.2.9.3. as a temporary replacement (e.g. blood bin) at any time in the match.

27. FOREIGN PLAYERS NOT ELIGIBLE TO PLAY FOR THE SPRINGBOKS

29. SA RUGBY INJURY AND ILLNESS SURVEILLANCE AND PREVENTION PROJECT (SARIISPP)

29.1. SARU is committed to collecting and assessing prospective injury data sustained by all players that participate the Competitions under the auspices of SARU via the SARU Injury and Illness Surveillance and Prevention Project (SARIISPP)

- 29.2. The aim of the SARISSPP is to monitor match and training injury trends and patterns prospectively, regarding rugby players participating in various competitions under the auspices of SARU.
- 29.3. The SARISSPP will be conducted in the primary interest of the safety, health and well-being of all players participating in the Competition.
- 29.4. The data capturing procedures used in the SARISSPP are fully compliant with the international consensus statement on the definitions and procedures for epidemiological studies of injuries. The reporting process is simple and requires the Team medical staff to enter all data timeously and accurately on all rugby-related injuries sustained by a player.
- 29.5. Players need to provide written informed consent to participate in the SARISSPP and written acknowledgement of the fact that the information provided will remain anonymous and will be used for research purposes only. This written consent must be kept on record in the player's medical file. A copy of the written consent must be sent to the SARU Medical Manager. At no time will a player be personally identified during the SARISSPP or when the data is represented in any presentation, nor will the player be able to be identified by any inference.
- 29.6. Teams are required to maintain full compliance with the SARISSPP requirements for recording injuries and reporting Team Match and training exposures throughout the Competition. This is to ensure that high quality data is collected for accurate assessment of the injury profile and injury risk of the Competition. It will further assist SARU in making informed and scientific evidence-based decisions on player management and injury prevention strategies, which will potentially increase the longevity of players' careers.
- 29.7. The Provincial Union and any of its affiliates are to co-operate fully with SARU and ensure its Team members and medical staff contributes fully thereto.
